## Profile of the Month – Beth Yori

**Name, Town, Family, Day Job:** Beth (Shiels) Yori. I live in Folsom with my husband Doug and 5 children; Katie (23), Brad (21), Kim (18), Kelsey (16), and Karleigh (13). I teach middle school math and high school chemistry part time at Woodlyn Christian School. I am also the director of Mt. Gilead Camp and Conference Center (part time during the year, full time during the summer). I also keep the books for SJS Consulting Inc.

**Background with the club:** I have been involved with the club since 1991 when my son began playing soccer as a 4 year old. All of my children have played and refereed for RUSC. Two of them still play and ref. I have always helped with my kids teams, worked in the snack bar, etc. But being the secretary is my first "official" involvement.

**What you like best about soccer:** I have never personally played soccer. I do however enjoy coaching and challenging kids to do their best, learn new skills, make new friends, be a good team mate, and exhibit sportsmanship qualities that are positive. There are so many life lessons that can be taught through the game of soccer.

**What do you like least about soccer:** The thing I like least about sports in general, is that parents often forget it's about the kids! Are they having a good time, learning/improving skills, building relationships, and positive character traits; that's what matters, sure it's great to win but there is so much more to do.

**How do you see your future with the club, or the future direction of the club?** I think the club has a very bright future. Youth sports have become a very integral part of our society and lifestyle. Ridley United offers quality programming at different levels and leadership opportunities (coaching, refereeing, assistant coaching, banquet, fund raiser, family day, etc.). I am a behind the scenes person who likes organization and order. I plan to continue being involved in the club (as long as they will have me) and use my skills to help them continue to improve and become the best they can be.

**Fun Stuff:** Favorite Color: pink/red  
Favorite Food: salmon and mixed vegetables  
Favorite Restaurant: Red Robin  
Favorite Book: John Grisham books  
Favorite Movie: An Officer and a Gentleman  
Favorite Group/Singer/Song: Brad Paisley  
Favorite TV Show: Flyers; Weakest Link  
Favorite Quote: You (your team, group, etc) are only as strong as your weakest link.

**Anything else you care to say.....** Thanks to all those people in the past and present who have served and volunteered at the club to provide quality programming for my kids. I hope now to be able to do that for others so their kids can have the same experiences mine did.

## Happy May Birthday!
