Ridley United Soccer Club

Happy Summer,

Now that summer is officially here just a few reminders. I know at this time we are not thinking of soccer, but now is the best time to start kicking the ball and do some dribbling; either down at the pool or on the sand at the beaches. Our last registration for this 2009 fall season will be Sat June 20 from 10-2. Please mark this date. As always our fall season starts with our Kixx Camp and is followed by our 10th annual Travel Tournament. Please visit www.ridleyunitedsoccer.org for more information. If you are looking for a camp this year please visit the site. There are some listed either for the team or individual, and as always if you have any concerns and/or questions please feel free to contact me. Have a great summer and please be safe.
