

Hygiene and Safety Protocols

Please read the protocols below. To be followed regardless of which phase or stage, and until further notice from PA Department of Health and the CDC.

- Each player must provide their own hand sanitizer.
- Each player must provide their own water/drink.
- Each player must provide their own equipment (ball).
- Each player must provide their own mask or face covering.
- Wash or sanitize your hands frequently.
- No sharing of water, snacks, or equipment.
- No shaking hands, high fives, fist bumps, hugs, etc.
- Social distancing required = remain 6 feet apart.
- No player or coach can attend if they are feeling sick.
- Sick players or coaches must quarantine as required by CDC/PA Dept. of Health. Can only return with a doctor's approval and must show notice to the club before doing so.
- Disinfect all training equipment – cones, goals, flags, etc. Only coaches can touch or move equipment.
- Coaches to wear a face mask at all times as per CDC/PA Dept. of Health.
- Players to wear face mask when not involved in soccer activities or on the bench. Player may wear mask during activity at parents and players discretion.
- Shared scrimmage vests are prohibited. If scrimmage vests are necessary, they should be distributed for individual use only and should be washed prior to each session.
- Each ball should be sanitized before and after every session.
- Only one coach may attend to an injured player. Must wear mask and gloves.
- Minimize contact with other teams before, during, and after each session
- Players travelling to or returning from any state on the PA Dept of Health's quarantine list should self quarantine upon returning home for 14 days. Please see PA Dept of Health website for up to date list

By agreeing I acknowledge that I have read the above protocols and agree to follow them.
