

Hygiene and Safety Protocols

Please read the protocols below. To be followed regardless of which phase or stage, and until further notice from PA Department of Health and the CDC.

- Each player must provide their own hand sanitizer.
- Each player must provide their own water/drink.
- Each player must provide their own equipment (ball).
- Each player must provide their own mask or face covering.
- Wash or sanitize your hands frequently.
- No sharing of water, snacks, or equipment.
- No shaking hands, high fives, fist bumps, hugs, etc.
- Social distancing required = remain 6 feet apart.
- No player or coach can attend if they are feeling sick.
- Sick players or coaches must quarantine as required by CDC/PA Dept. of Health. Can only return with a doctor's approval and must show notice to the club before doing so.
- Disinfect all training equipment – cones, goals, flags, etc. Only coaches can touch or move equipment.
- Coaches to wear a face mask at all times as per CDC/PA Dept. of Health.
- Players to wear face mask at all times as per CDC/PA Dept. of Health.
- Shared scrimmage vests are prohibited. If scrimmage vests are necessary, they should be distributed for individual use only and should be washed prior to each session.
- Players should sanitize their ball before and after every session.
- Only one coach may attend to an injured player. Must wear mask and gloves.
- Minimize contact with other teams before, during, and after each session.
- Games will use kick-ins instead of throw-ins when returning the ball to play.
- Spectators should try to limit attendance to one family member per player. We recognize that is not always possible but please make your best efforts in this regard.

By agreeing I acknowledge that I have read the above protocols and agree to follow them.
